

Welcome to Vicksburg!!!

The Athletic Boosters objective is to promote and support student athletes while assisting Vicksburg Community Schools to meet the financial needs of the Athletic Department.

We are an inclusive organization with a commitment to community and student athletes. All are welcome to attend with your interest, enthusiasm, support, and participation for the betterment of Vicksburg Athletics. Meetings are the 1st Monday of the month, located in the High School Library and begin at 7pm sharp.

Through the Boosters, annually an additional \$45,000 is available to help the twenty-nine Varsity sports offered at VCS. Funding covers team sports requests, Summer speed & agility training, imPACT testing, and tournament fees to name a few. Along with the funding, we provide Six \$500 and Two \$1000 Scholarships to the Student Athletes that best exemplify the "Spirit of Bulldog Athletics."

Our major fundraisers are the Golf Outing (last Sunday in August), Sports Program Book (all 3 sports seasons), Booster Bounce Dance (Winter), and Corporate advertising including the beautiful stadium sign (see last page). In addition, we rely on donations from our Annual Alumni Letter, participation in the Raise Right program, and PayPal QR Code. Please visit us at www.vicksburgathleticboosters.com to learn more.

We sincerely appreciate the support of all our wonderful sponsors and alumni. Without your help, none of this would be possible. Thank you for the continued kindness and generosity of Vicksburg Athletic Boosters!!

Lucas Hillard, President
and the Vicksburg Athletic Booster Club
